Vocational Nursing

Program Information

Welcome to Stanbridge

Dear Prospective Student,

I would like to personally welcome you to Stanbridge College. We are delighted that you have chosen to explore the exceptional academic programs Stanbridge has to offer and look forward to being of assistance and encouragement.

You've probably always dreamt that "someday" you would enjoy a rewarding, well-paying career with ample opportunity for advancement. With our widely renowned educational programs, we at Stanbridge would like to propose that your "someday" is closer than you think.

Someday is today.

At Stanbridge our commitment to our students is unyielding and centered on providing quality instruction in a hands-on format. Our lifetime career placement services enable us to fulfill both your dreams and our mission of crowning your education with a well-paying career.

We hope you will join the Stanbridge community of scholars and are confident that you will have a memorable educational experience with us.

Sincerely,

Yasith Weerasuriya
President

SOMEDAY IS TODAY...

Why Stanbridge?

Complimentary Introduction to Nursing Course

Our instructors have found through years of experience that preparation and confidence levels are higher in students with some introductory level of medical terminology and fundamentals. So prior to beginning their program, Stanbridge students receive a comprehensive, hands-on Introduction to Nursing course prior to beginning their program.

Industry-Experienced Faculty, Caring Staff

Our faculty and staff are caring, friendly, and most importantly imminently qualified in the industry. Most faculty have decades of experience in their fields and are connected with employers in the industry.

Multi-Term NCLEX Preparation

Stanbridge has an extremely high rate of successful licensure for our VN students. This is due to our unyielding commitment to our students' preparation. Our program includes cumulative review and exit exams in terms 1, 2, and 3 followed by comprehensive term 4 NCLEX preparation, diagnostic testing and a licensure preparation session with multiple nationally-normed diagnostic exams. Preparation continues after graduation with online mentorship and subject-specific reviews and assessments while waiting for board authorization to test. This proprietary and exceptional program of NCLEX preparation is provided at no additional charge to our students.

Personal Netbook Computer with 3D Anatomy & NCLEX Preparation Software

In today's medical care industry, employers want their nurses to be as technologically skilled as they are clinically skilled. Every student in our Vocational Nursing programs receives a netbook computer loaded with 3D Anatomy software and over 3000 NCLEX practice questions, theirs to keep. This is an invaluable learning tool and is a unique benefit to choosing Stanbridge College.

Professional Clinical Nursing Lab

The Stanbridge Nursing Skills Lab is one of the most realistic available. With 11 beds, hybrid simulation mannequins and the most up-to-date supplies and equipment it's as close to a real nursing environment as you'll find anywhere.

Superior Technology

Stanbridge students learn in classrooms and labs outfitted with the newest and most current equipment.

Awards & NCLEX Pass Rate

2008-2009 ACCSC School of Excellence Award Recipient¹

Stanbridge College is a 2008-2009 “School of Excellence Award” recipient from the Accrediting Commission of Career Schools and Colleges (ACCSC).

Schools are recognized for their efforts in demonstrating a high-level of achievement among their students. In order to be eligible for the award, a school must demonstrate a commitment to the expectations and rigors of ACCSC accreditation, as well as a commitment to delivering quality educational programs to students, graduates and employers.

98% Average NCLEX Pass Rate²

At Stanbridge College we strive to ensure our students exceed national average NCLEX pass rates through our unyielding commitment to their exam preparation. The NCLEX (National Council Licensure Examination) is the exam required to get licensed to legally practice as a nurse in the United States.

Period	Pass Rate
Quarter 4, 2007	100 %
Quarter 1, 2008	100 %
Quarter 2, 2008	100 %
Quarter 3, 2008	100 %
Quarter 4, 2008	87.5 %
Quarter 1, 2009	100 %
Quarter 2, 2009	100 %

Career Services

Lifetime Career Placement Assistance

The benefits of being a Stanbridge College graduate do not end after you start your first job. Our placement services are available to you for a lifetime. We will always be here to assist our graduates in establishing and maintaining a solid career path at any stage. Stanbridge College takes a personal interest in mentoring and encouraging our students to meet their career goals. We are committed to the success of our students and offer a comprehensive four-step career placement process.

Exclusive Access to Placement Online

Stanbridge College maintains an exclusive job placement web site for our students. By using an assigned user ID and password, our students can access targeted job openings in Southern California, updated daily. Additionally, students and alumni can access a database of Southern California recruiting organizations, companies, and upcoming job fairs.

1) Career Placement Orientation

During a classroom presentation or personal consultation, our Career Placement Assistance staff will orient the student on the placement services program.

2) Resume Preparation

Our in-house experts will help guide our job-ready applicants in writing a powerful and creative resume that stands out from the competition.

3) Mock Interview Sessions

We will take you through personality mapping, salary negotiations, role-playing and other specialized interview techniques that will allow you to take control of the interview.

4) Job Leads

Receive access to continually updated job listings and career opportunities obtained from a variety of sources including recruiting organizations and Southern California companies with whom we have built relationships. The leads are posted exclusively at the Stanbridge College Placement Online website.
